

Safety Data Sheet per OSHA HazCom 2012

| R R | Reviewed on 07/16/201 |
|---|-----------------------|
| 1 Identification | |
| Product identifier | |
| Product name: 2-Phenylbutyryl chloride | |
| Stock number: B22997 CAS Number: | |
| 36854-57-6 | |
| EC number: 253-241-0 | |
| Relevant identified uses of the substance or mixture and uses advised against. | |
| Identified use: SU24 Scientific research and development | |
| Details of the supplier of the safety data sheet Manufacturer/Supplier: | |
| Alfa Aesar Thermo Fisher Scientific Chemicals, Inc. | |
| 30 Bond Street | |
| Ward Hill, MA 01835-8099 Tel: 800-343-0660 Fax: 800-322-4757 | |
| Fax: 800-322-4757 | |
| Email: tech@alfa.com www.alfa.com | |
| Information Department: Health, Safety and Environmental Department Emergency telephone number: | |
| During normal business hours (Monday-Friday, 8am-7pm EST), call (800) 343-0660. After normal business hours, call Carechem 24 at (866) | 928-0789. |
| 2 Hazard(s) identification | |
| Classification of the substance or mixture in accordance with 29 CFR 1910 (OSHA HCS) | |
| | |
| GHS05 Corrosion | |
| Skin Corr. 1B H314 Causes severe skin burns and eye damage. | |
| Eye Dam. 1 H318 Causes serious eye damage. Hazards not otherwise classified No information known. | |
| Label elements | |
| GHS label elements The product is classified and labeled in accordance with 29 CFR 1910 (OSHA HCS) | |
| Hazard pictograms | |
| | |
| GHS05 | |
| | |
| Signal word Danger Hazard statements | |
| H314 Causes severe skin burns and eye damage. | |
| Precautionary statements P260 Do not breathe dust/fume/gas/mist/vapours/spray. | |
| P260 Do not breathe dust/fume/gas/mist/vapours/spray. P303+P361+P353 If on skin (or hair): Take off immediately all contaminated clothing. Rinse skin with water/shower. P305+P551+P3538 IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue I P301+P330+P331 IF SWALLOWED: rinse mouth. | | Neviewed 0/1 07/10/2014 |
|---|--------------------------------------|
| Product name: 2-Phenylbutyryl chloride | |
| After eye contact Rinse opened eye for several minutes under running water. Then consult a doctor. After swallowing Seek medical treatment. Information for doctor Most important symptoms and effects, both acute and delayed Causes servere skin burns. Causes serious eye damage. Indication of any immediate medical attention and special treatment needed No further relevant information available. | (Contd. of page 1) |
| 5 Fire-fighting measures Extinguishing media Suitable extinguishing agents In case of fire, use sand, carbon dioxide or powdered extinguishing agent. Never use water. For safety reasons unsuitable extinguishing agents Water Special hazards arising from the substance or mixture If this product is involved in a fire, the following can be released: Carbon monoxide and carbon dioxide Hydrogen chloride (HCI) Advice for firefighters Protective equipment: Wear self-contained respirator. Wear fully protective impervious suit. | |
| 6 Accidental release measures Personal precautions, protective equipment and emergency procedures Wear protective equipment. Keep unprotected persons away. Ensure adequate ventilation Environmental precautions: Do not allow material to be released to the environment without proper governmental permits. Methods and material for containment and cleaning up: Absorb with liquid-binding material (sand, diatomite, acid binders, universal binders, sawdust). Use neutralizing agent. Dispose of contaminated material as waste according to section 13. Ensure adequate ventilation. Prevention of secondary hazards: Keep away from ignition sources. Reference to other sections See Section 7 for information on safe handling See Section 8 for information on personal protection equipment. See Section 13 for disposal information. | |
| 7 Handling and storage Handling Precautions for safe handling Handle under dry protective gas. Keep container tightly sealed. Store in cool, dry place in tightly closed containers. Ensure good ventilation at the workplace. Information about protection against explosions and fires: No information known. Conditions for safe storage, including any incompatibilities Storage Requirements to be met by storerooms and receptacles: No special requirements. Information about storage in one common storage facility: Store away from water/moisture. Store away from strong bases. Store away from oxidizing agents. Further information about storage conditions: Store under dry inert gas. This product is moisture sensitive. Keep container tightly sealed. Store in cool, dry conditions in well sealed containers. Protect from humidity and water. Specific end use(s) No further relevant information available. | |
| 8 Exposure controls/personal protection Additional information about design of technical systems: Properly operating chemical fume hood designed for hazardous chemicals and having an average face velocity of at least 100 feet per minute Control parameters Components with limit values that require monitoring at the workplace: The product does not contain any relevant quantities of materials with critical values that have to be monitored at the workplace. Additional information: No data Exposure controls Personal protective equipment General protective equipment General protective and hygienic measures The usual precautionary measures for handling chemicals should be followed. Keep away from foodstuffs, beverages and feed. Remove all solied and contaminated clothing immediately. Wash hands before breaks and at the end of work. Avoid contact with the eyes and skin. Maintai an ergonomically appropriate working environment. Breathing equipment: Use suitable respirator when high concentrations are present. Recover are appropriate. Only use equipment tested and approved under appropriate government standards such as NIOSH (USA) or C Protection of hands: Impervious gloves Check protective gloves prior to each use for their proper condition. The selection of suitable gloves not only depends on the material, but also on quality. Quality will vary from manufacturer to manufacturer. Penetration time of glove material (in minutes) Not determined Eve protection: Tafitly sealed goggles | ermine if air-purifying CEN (EU). |
