

# Safety Data Sheet per OSHA HazCom 2012

1	1 Identification Product identifier	
	Product identifier Product name: 2,3,4,6-Tetra-O-benzyl-alpha-D-glucopyranose	
	Stock number: H31595 CAS Number:	
	6564-72-3 Relevant identified uses of the substance or mixture and uses advised against. Identified use: SU24 Scientific research and development	
	Details of the supplier of the safety data sheet	
	Alfa Aesar Thermo Fisher Scientific Chemicals, Inc. 30 Bond Street	
	Ward Hill, MA 01835-8099 Tel: 800-343-0660	
	Fax: 800-322-4757 Email: tech@alfa.com www.alfa.com	
	Information Department: Health, Safety and Environmental Department Emergency telephone number:	
	During normal business hours (Monday-Friday, 8am-7pm EST), call (800) 343-0660. After normal business hours, call Carechem 24 at (866) 928-0	0789.
4	2 Hazard(s) identification Classification of the substance or mixture in accordance with 29 CFR 1910 (OSHA HCS)	
	The substance is not classified according to the Globally Harmonized System (GHS).  Hazards not otherwise classified No information known.	
	Label elements GHS label elements Not applicable Hazard pictograms Not applicable	
	Signal word Not applicable Hazard statements Not applicable WHMIS classification Not controlled	
	Classification system HMIS ratings (scale 0-4)	
	(Hazardous Materials Identification System)	
	File     File       REACTIVITY     Physical Hazard = 1	
	Other hazards Results of PBT and vPvB assessment PBT: Not applicable.	
	vPvB: Not äpplicable.	
3	3 Composition/information on ingredients Chemical characterization: Substances	
	CAS# Description: 6564-72-3 2,3,4,6-Tetra-O-benzyl-alpha-D-glucopyranose	
4	4 First-aid measures	
	Description of first aid measures After inhalation Supply fresh air. If required, provide artificial respiration. Keep patient warm.	
	Seek immediate medical advice. After skin contact Immediately water and soan and rinse theroughly	
	Immediately wash with water and soap and rinse thoroughly. Seek immediate medical advice. After eye contact Rinse opened eye for several minutes under running water. Then consult a doctor.	
	After swallowing Seek medical treatment. Information for doctor Most important symptoms and effects, both acute and delayed No further relevant information available.	
	Indication of any immediate medical attention and special treatment needed No further relevant information available.	
5	5 Fire-fighting measures Extinguishing media	
	Suitable extinguishing agents Carbon dioxide, extinguishing powder or water spray. Fight larger fires with water spray or alcohol resistant foam. Special hazards arising from the substance or mixture	
	If this product is involved in a fire, the following can be released: Carbon monoxide and carbon dioxide Advice for firefighters	
	Protective equipment: Wear self-contained respirator.	
F	Wear fully protective impervious suit. 6 Accidental release measures	
	Personal precautions, protective equipment and emergency procedures Wear protective equipment. Keep unprotected persons away.	
	Ensure adequate ventilation Environmental precautions: Do not allow material to be released to the environment without proper governmental permits.	
	Methods and material for containment and cleaning up: Pick up mechanically. Prevention of secondary hazards: No special measures required. Reference to other sections	
	See Section 7 for information on safe handling See Section 8 for information on personal protection equipment.	(Contd. on page 2)

## Ρ

See Section 13 for disposal information		
	n	(Contd. of page
7 Handling and storage		
Handling		
Precautions for safe handling		
Keep container tightly sealed. Store in cool, dry place in tightly closed	departainers	
Information about protection agains	st explosions and fires: No information known.	
Conditions for safe storage, includin	•	
Storage		
	oms and receptacles: No special requirements. Common storage facility: Store away from oxidizing agents.	
Further information about storage co		
Keep container tightly sealed. Store in cool, dry conditions in well sea	aled containers	
Store in cool, dry conditions in wen sea Specific end use(s) No further relevar	nt information available.	
8 Exposure controls/personal pro		
Additional information about design	n of technical systems: d designed for hazardous chemicals and having an average face velocity of at least 100 feet per minute.	
	a designed for hazardous chemicals and having an average race velocity of a road roo root por minute.	
	equire monitoring at the workplace: Not required.	
Additional information: No data	equile monitoring at the normalized required.	
Exposure controls		
Personal protective equipment General protective and hygienic mea		
The usual precautionary measures for	handling chemicals should be followed.	
Keep away from foodstuffs, beverages Remove all soiled and contaminated cl	and feed.	
Wash hands before breaks and at the e	end of work.	
Maintain an ergonomically appropriate	working environment.	
Breathing equipment: Use suitable re Protection of hands:	espirator when high concentrations are present.	
Impervious aloves		
Check protective gloves prior to each u	use for their proper condition. Ily depends on the material, but also on quality. Quality will vary from manufacturer to manufacturer.	
The selection of suitable gloves not on Penetration time of glove material (ii	ily depends on the material, but also on quality. Quality will vary from manufacturer to manufacturer. in minutes) Not determined	
Eve protection: Sofety decord		
Eye protection: Safety glasses		
Body protection: Protective work cloth	hing.

Chemical stability Stable under recommended storage conditions. Thermal decomposition / conditions to be avoided: Decomposition will not occur if used and stored according to specifications. Possibility of hazardous reactions No dangerous reactions known Conditions to avoid No further relevant information available. Incompatible materials: Oxidizing agents Hazardous decomposition products: Carbon monoxide and carbon dioxide

#### 11 Toxicological information

Information on toxicological effects Acute toxicity: No effects known.

#### Product name: 2,3,4,6-Tetra-O-benzyl-alpha-D-glucopyranose (Contd. of page 2) .D/LC50 values that are relevant for classification: No data Skin irritation or corrosion: May cause irritation Eye irritation or corrosion: May cause irritation Sensitization: No sensitizing effects known. Germ cell mutagenicity: No effects known. Carcinogenicity: No classification data on carcinogenic properties of this material is available from the EPA, IARC, NTP, OSHA or ACGIH. Reproductive toxicity: No effects known. Specific target organ system toxicity - repeated exposure: No effects known. Specific target organ system toxicity - single exposure: No effects known. Aspiration hazard: No effects known. Subacute to chronic toxicity: No effects known. Additional toxicological information: To the best of our knowledge the acute and chronic toxicity of this substance is not fully known. 12 Ecological information Toxicity Aquatic toxicity: No further relevant information available. Persistence and degradability No further relevant information available. Bioaccumulative potential No further relevant information available. Mobility in soil No further relevant information available. Additional ecological information: General notes: Do not allow material to be released to the environment without proper governmental permits. Do not allow undiluted product or large quantities to reach ground water, water course or sewage system. Avoid transfer into the environment. Results of PBT and vPvB assessment PBT: Not applicable. vPvB: Not applicable Other adverse effects No further relevant information available. 13 Disposal considerations Waste treatment methods Recommendation Consult state, local or national regulations to ensure proper disposal. Uncleaned packagings: Recommendation: Disposal must be made according to official regulations. 14 Transport information Not a hazardous material for transportation. **UN-Number** DOT, IMDG, IATA None UN proper shipping name DOT, IMDG, IATA None Transport hazard class(es) DOT, ADR, IMDG, IATA None Class Packing group DOT, IMDG, IATA None Environmental hazards: Not applicable. Special precautions for user Not applicable Transport in bulk according to Annex II of MARPOL73/78 and the IBC Code Not applicable. Transport/Additional information: Not dangerous according to the above specifications. DOT Marine Pollutant (DOT): No 15 Regulatory information Safety, health and environmental regulations/legislation specific for the substance or mixture GHS label elements Not applicable Hazard pictograms Not applicable Signal word Not applicable Hazard statements Not applicable Mational regulations This product is not listed in the U.S. Environmental Protection Agency, Toxic Substances Control Act Chemical Substance Inventory. Use of this product is restricted This product is not listed in the U.S. Environmental Protection Agency Toxic Substances Control Act Chemical Substance Inventory. Use of this product is restri to research and development only. This product must be used by or directly under the supervision of a technically qualified individual as defined by TSCA. This product must not be used for commercial purposes or in formulations for commercial purposes. SARA Section 313 (specific toxic chemical listings) Substance is not listed. California Proposition 65 Prop 65 - Chemicals known to cause cancer Substance is not listed. Prop 65 - Developmental toxicity, female Substance is not listed. Prop 65 - Developmental toxicity, male Substance is not listed. Prop 65 - Developmental toxicity, male Substance is not listed. Prop 65 - Developmental toxicity, male Substance is not listed. Information about limitation of use: For use only by technically qualified individuals. Other regulations, limitations and prohibitive regulations Substance of Very High Concern (SVHC) according to the REACH Regulations (EC) No. 1907/2006. Substance is not listed. The conditions of restrictions according to Article 67 and Annex XVII of the Regulation (EC) No 1907/2006 (REACH) for the manufacturing, placing on the market and use observed. market and use must be observed. Substance is not listed Annex XV of the REACH Regulations (requiring Authorisation for use) Substance is not listed. Chemical safety assessment: A Chemical Safety Assessment has not been carried out. 16 Other information Employers should use this information only as a supplement to other information gathered by them, and should make independent judgement of suitability of this information to ensure proper use and protect the health and safety of employees. This information is furnished without warranty, and any use of the product not in conformance with this Material Safety Data Sheet, or in combination with any other product or process, is the responsibility of the user.
