Safety data sheet according to Regulation (EC) No. 1907/2006

Version number 1

1 Identification of the substance/mixture and of the company/undertaking				
· Product identifier				
· Trade name: Asiaticoside ROTICHROM®, HPLC				
 Article number: 3972 CAS Number: 16830-15-2 EC number: 240-851-7 Relevant identified uses of the substance or mixture and uses advised against Application of the substance / the preparation Laboratory chemical 				
 Details of the supplier of the safety data sheet Manufacturer/Supplier: Carl Roth GmbH + Co.KG Schoemperlenstraße 3-5 76185 Karlsruhe Telefon: +49/(0)721 5606-0 	Telefax: +49/(0)721 5606-149 e-mail: info@carlroth.de			
• Further information obtainable from: Department Health, • Emergency telephone number: Poison Centre Munich	Safety and Environment Telefon +49/(0)89 19240			
2 Hazards identification				
 Classification of the substance or mixture Classification according to Regulation (EC) No 1272/2008 Void 				
 Classification according to Directive 67/548/EEC or Directive 1999/45/EC Void Information concerning particular hazards for human and environment: No hazardous product as specified in Directive 67/548/EEC. Classification system: This product is not hazardous according to EEC directives 67/548/EEC / 1999/45/EC or regulation (EC) No 1272/2008. 				
 Label elements Labelling according to Regulation (EC) No 1272/2008 Void Hazard pictograms Void Signal word Void Hazard statements Void Other hazards All chemicals are potentially dangerous. They should only be handled by specially trained personnel. Results of PBT and vPvB assessment PBT: Not applicable. vPvB: Not applicable. 				
3 Composition/information on ingredients				
 Chemical characterization: Substances CAS No. Description 16830-15-2 Asiaticoside Identification number(s) EC number: 240-851-7 				
4 First aid measures				
 Description of first aid measures After inhalation: Supply fresh air; consult doctor in case of complaints. After skin contact: Rinse with water If skin irritation continues, consult a doctor. After eye contact: Rinse opened eye for 10 minutes under running water. If symptoms persist, consult a doctor. (Contd. on page 2) (B 				

Safety data sheet according to Regulation (EC) No. 1907/2006

Revision: 23.09.2011

Printing date 23.09.2011

Version number 1

Trade name: Asiaticoside ROTICHROM®, HPLC (Contd. of page 1) · After swallowing: Rinse out mouth and drink a glass of water. Do not induce vomiting. If symptoms persist consult doctor. · Information for doctor: · Most important symptoms and effects, both acute and delayed No further relevant information available. Indication of any immediate medical attention and special treatment needed No further relevant information available. **5** Firefighting measures · Extinguishing media • Suitable extinguishing agents: Use fire extinguishing methods suitable to surrounding conditions. · Special hazards arising from the substance or mixture No further relevant information available. · Advice for firefighters **Protective equipment:** Wear self-contained respiratory protective device. Wear fully protective suit. **6** Accidental release measures · Personal precautions, protective equipment and emergency procedures Avoid formation of dust. · Environmental precautions: Do not allow to enter sewers/ surface or ground water. · Methods and material for containment and cleaning up: Pick up mechanically. Dispose of the material collected according to regulations. **Reference to other sections** See Section 7 for information on safe handling. See Section 8 for information on personal protection equipment. See Section 13 for disposal information. 7 Handling and storage · Handling: • Precautions for safe handling Handling corresponding to laboratory safety guidelines. · Information about fire - and explosion protection: No special measures required. · Conditions for safe storage, including any incompatibilities · Storage: · Requirements to be met by storerooms and receptacles: No special requirements. • Information about storage in one common storage facility: Store away from foodstuffs. · Further information about storage conditions: None. • Specific end use(s) No further relevant information available. 8 Exposure controls/personal protection • Additional information about design of technical facilities: No further data; see item 7. · Control parameters · Ingredients with limit values that require monitoring at the workplace: Not required. · Additional information: The lists valid during the making were used as basis. · Exposure controls · Personal protective equipment: General protective and hygienic measures: Keep away from foodstuffs, beverages and feed. Immediately remove all soiled and contaminated clothing. Wash hands before breaks and at the end of work. (Contd. on page 3) GB Safety data sheet

according to Regulation (EC) No. 1907/2006

Version number 1

Trade name: Asiaticoside ROTICHROM®, HPLC

(Contd. of page 2) Avoid contact with the eyes and skin. · Respiratory protection: Required when dusts are generated. · Protection of hands: Due to missing tests no recommendation to the glove material can be given for the product. Protective gloves The glove material has to be impermeable and resistant to the product/ the substance/ the preparation. Selection of the glove material on consideration of the penetration times, rates of diffusion and the degradation Material of gloves The selection of the suitable gloves does not only depend on the material, but also on further marks of quality and varies from manufacturer to manufacturer. Penetration time of glove material The exact break through time has to be found out by the manufacturer of the protective gloves and has to be observed. · Eye protection: Tightly sealed goggles · Body protection: Protective work clothing 9 Physical and chemical properties · Information on basic physical and chemical properties · General Information · Appearance: Solid Form: **Colour:** Whitish · Odour: Odourless · Odour threshold: Not determined. · pH-value: Not applicable. · Change in condition 235 - 238°C Melting point/Melting range: **Boiling point/Boiling range:** Undetermined. · Flash point: Not applicable. · Flammability (solid, gaseous): Product is not flammable. · Ignition temperature: **Decomposition temperature:** Not determined. · Self-igniting: Not determined. · Danger of explosion: Product does not present an explosion hazard. · Explosion limits: Lower: Not determined. **Upper:** Not determined. Not applicable. · Vapour pressure: Not determined. · Density: Not determined. · Relative density · Vapour density Not applicable. Not applicable. · Evaporation rate · Solubility in / Miscibility with water: Partly soluble. (Contd. on page 4)
