SIGMA-ALDRICH

Material Safety Data Sheet

Version 3.0 Revision Date 08/29/2009 Print Date 03/27/2011

Product name	: (<i>R</i>)-(−)-α-[[(4-	Ethyl-2,3-dioxo-1-		
		rbonyl]amino]benzen	eacetic acid	
Product Number	: 472891			
Brand	: Aldrich			
Company	: Sigma-Aldrich 3050 Spruce Str SAINT LOUIS M			
Telephone	USA : +18003255832			
Fax	: +18003255052			
Emergency Phone #	: (314) 776-6555			
OMPOSITION/INFORM	ATION ON INGREDIENTS	3		
Formula	: C ₁₅ H ₁₇ N ₃ O ₅			
Molecular Weight	: 319.31 g/mol			
CAS-No.	EC-No.	Index-No.	Concentration	
	-dioxo-1-piporazipyl)cark	oonyl]amino]benzeneace	etic acid

May cause respiratory rbed through skin. May ca	r tract irritation.	

4. FIRST AID MEASURES

General advice

Consult a physician. Show this safety data sheet to the doctor in attendance.

If inhaled

If breathed in, move person into fresh air. If not breathing give artificial respiration Consult a physician.

In case of skin contact

Wash off with soap and plenty of water. Consult a physician.

In case of eye contact

Rinse thoroughly with plenty of water for at least 15 minutes and consult a physician.

If swallowed

Never give anything by mouth to an unconscious person. Rinse mouth with water. Consult a physician.

5. FIRE-FIGHTING MEASURES

Flammable properties Flash point

no data available

Ignition temperature no data available

Suitable extinguishing media Use water spray, alcohol-resistant foam, dry chemical or carbon dioxide.

Special protective equipment for fire-fighters

Wear self contained breathing apparatus for fire fighting if necessary.

6. ACCIDENTAL RELEASE MEASURES

Personal precautions

Use personal protective equipment. Avoid dust formation. Avoid breathing dust. Ensure adequate ventilation.

Environmental precautions

Do not let product enter drains.

Methods for cleaning up

Pick up and arrange disposal without creating dust. Keep in suitable, closed containers for disposal.

7. HANDLING AND STORAGE

Handling

Avoid contact with skin and eyes. Avoid formation of dust and aerosols. Provide appropriate exhaust ventilation at places where dust is formed. Normal measures for preventive fire protection.

Storage

Keep container tightly closed in a dry and well-ventilated place.

Keep in a dry place.

8. EXPOSURE CONTROLS/PERSONAL PROTECTION

Contains no substances with occupational exposure limit values.

Personal protective equipment

Respiratory protection

Where risk assessment shows air-purifying respirators are appropriate use a dust mask type N95 (US) or type P1 (EN 143) respirator. Use respirators and components tested and approved under appropriate government standards such as NIOSH (US) or CEN (EU).

Hand protection

For prolonged or repeated contact use protective gloves.

Eye protection

Safety glasses with side-shields conforming to EN166

Skin and body protection

Choose body protection according to the amount and concentration of the dangerous substance at the work place.

Hygiene measures

Handle in accordance with good industrial hygiene and safety practice. Wash hands before breaks and at the end of workday.

9. PHYSICAL AND CHEMICAL PROPERTIES

Appearance

Form	powder	
Colour	white	

Coloui			v			vinte		

Safety data

pН	no data available
Melting point	171 °C (340 °F) - lit.
Boiling point	no data available
Flash point	no data available
Ignition temperature	no data available
Lower explosion limit	no data available
Upper explosion limit	no data available
Water solubility	no data available

10. STABILITY AND REACTIVITY

Storage stability

Stable under recommended storage conditions.

Materials to avoid Strong oxidizing agents

Hazardous decomposition products Hazardous decomposition products formed under fire conditions. - Carbon oxides, nitrogen oxides (NOx)

11. TOXICOLOGICAL INFORMATION

Aldrich - 472891

Sigma-Aldrich Corporation www.sigma-aldrich.com

Acute toxicity no data available Irritation and corrosion no data available Sensitisation no data available Chronic exposure IARC: No component of this product present at levels greater than or equal to 0.1% is identified as probable, possible or confirmed human carcinogen by IARC. ACGIH: No component of this product present at levels greater than or equal to 0.1% is identified as a carcinogen or potential carcinogen by NCGH. NTP: No component of this product present at levels greater than or equal to 0.1% is identified as a carcinogen or potential carcinogen by NCGH. OSHA: No component of this product present at levels greater than or equal to 0.1% is identified as a carcinogen or potential carcinogen by NSHA. Signs and Symptoms of Exposure To the best of our knowledge, the chemical, physical, and toxicological properties have not been thoroughly investigated. Potential Health Effects Inhalation May be harmful if inhaled. May cause respiratory tract irritation. Eyes May cause eye irritation. Eyes May cause eye irritation. Ingestion May be harmful if inhaled. May cause skin irritation. Eyes May cause eye irritation. Ingestion May be harmful if wallowed. ECOLOGICAL INFORMATION	rich - 472891	www.sigma-aldrich.com	Page 4

15. REGULATORY INFORMATION

OSHA Hazards

No known OSHA hazards

DSL Status

This product contains the following components that are not on the Canadian DSL nor NDSL lists.

(R)-(-)-α-[[(4-Ethyl-2,3-dioxo-1piperazinyl)carbonyl]amino]benzeneacetic acid

SARA 302 Components

SARA 302: No chemicals in this material are subject to the reporting requirements of SARA Title III, Section 302.

CAS-No.

63422-71-9

SARA 313 Components

SARA 313: This material does not contain any chemical components with known CAS numbers that exceed the threshold (De Minimis) reporting levels established by SARA Title III, Section 313.

SARA 311/312 Hazards

No SARA Hazards

Massachusetts Right To Know Components

No components are subject to the Massachusetts Right to Know Act.

Pennsylvania Right To Know ComponentsCAS-No.Revision Date(R)-(-)-α-[[(4-Ethyl-2,3-dioxo-1-
piperazinyl)carbonyl]amino]benzeneacetic acid63422-71-98New Jersey Right To Know ComponentsCAS-No.Revision Date(R)-(-)-α-[[(4-Ethyl-2,3-dioxo-1-63422-71-98

piperazinyl)carbonyl]amino]benzeneacetic acid

California Prop. 65 Components

This product does not contain any chemicals known to State of California to cause cancer, birth, or any other reproductive defects.
